

Blue Arrows Outdoor shooting ground Ipswich School Playing Fields, how to get there.

Directions

For satnav the closest address is: The Grove, Henley Road, IPSWICH, IP1 4NR

Follow the Black arrows to guide you in – please not these are for indication purposes and do not appear painted on the road!

1. From Valley Road traffic lights, head north along Henley Road and Go PAST Ipswich Sports Club.

2. Turn Right into 'The Grove'. This is a cul-de-sac but don't be alarmed, you're nearly there...

3. Go past 'Vere Gardens'

4. You now appear to be running out of road but you're nearly there. Continue to pass the next blocks of houses and you will see a gravel track to the right, next to No 30. At the entrance to it, just in front of you, you will see a white sign on a lamppost pointing right for 'Ipswich School Playing fields'

5. Ok, you now think you are going to say hello to an unsuspecting bungalow resident but you are on the correct track! Before you enter their driveway, follow the track through a sharp left turn. Please exercise caution here. This is a narrow gravel track and there may be school children or cars exiting in the evenings if an event has been taking place.

- Now you're on the final leg and you'll see the fields opening up in front of you. Again, be cautious as there is a footpath on the left as you approach the gate.

- Hooray! You've made it, you'll see the car park ahead of you. If only one of the gates is open, be careful as you enter, you are turning through a narrow entrance and we don't want you decorating the gate with the paint from your car.

- You have reached your destination, you may get out now but we're not going to help you carry your kit, from now on, you're on your own!
